2025 GSS Scholarships and Bursaries

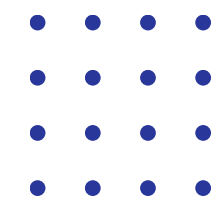

Scholarships & Bursaries

Many scholarships and bursaries are not based solely on academics, but on community service and extra-curricular activities. Over the years, GSS students have earned many of these awards. Students are encouraged to attend information meetings about scholarships in the spring. As well, students should check post-secondary school websites for scholarship information.

DONOR SELECTIONS

Some awards are selected by the donors. If there's an external email you can send the application to them, but send me a copy as well

(just cc: mike.archibald@sd6.bc.ca) so I can double check that all application are received. Or print/email to me (Mr. Archibald) and I'll send them to the donor.

TIPS FOR APPLYING

1

DO NOT PROCRASTINATE!!

This process takes more time than you may anticipate. Get started early!!

2

WHEN IN DOUBT, FILL IT OUT

Let the scholarship committee decide who is best suited for each award. Apply even if it's not a perfect fit.

3

REFERENCE LETTERS

Choose someone who knows you well and ask for the letter in person.

4

PUT IN THE EFFORT

Every year, only a few people apply for those bursaries requiring "essays". Don't be lazy!!

HOW TO WRITE A SCHOLARSHIP ESSAY

First Paragraph (1-2 sentences is enough)

- The first paragraph of your “essay” should include information on why you are writing (e.g. bursary name).

Middle Paragraph(s) (1-2 paragraphs is enough)

- This section of your “essay” should
 - o answer the questions from the scholarship/bursary sponsor
 - o describe how you meet the criteria

Final Paragraph (1-2 sentences is enough)

- Conclude your “essay” by thanking the sponsor for their consideration.

Respectfully yours,
Signature

HOW TO WRITE A SCHOLARSHIP ESSAY

Don't copy and paste the same eligibility summary for each bursary.

Likewise don't send the same essay in for each bursary.
It won't work!

You have over a month to complete the applications so there is lots of time.

HOW TO WRITE A SCHOLARSHIP ESSAY

Don't game the system (once a student only applied for 4 biggest and easiest bursaries thinking we HAD to give him one).

It didn't work as there were better qualified applicants who better matched the criteria!

We're obligated to meet sponsor's needs first.

BE THANKFUL

Be positive. This isn't an assignment. It's people, who don't know you, providing money so you can pursue your education.

Be grateful and don't complain about "essays", especially if you're a future university student!!

This is a competition

Competitive Process

- a. Awards are not equally distributed. They reflect that some students have done more and/or applied more.
- b. I will not edit or correct your work, application forms or essays.
- c. Remember, this is your responsibility. Parents are a great resource for input, but they should not be completing your application.

If you have any questions please see Mr. Archibald.

SELECTION PROCESS

1. Selection Process

- a. I gather the personal information of all applicants for use by the committee
- b. I list the applicants for each scholarship under the descriptions, and the committee spends 2-3 hours deciding on winners in a way that respects donors' wishes and is fair
- c. Two bursaries are given to every applicant WHO APPLIES. While there are no guarantees you will receive more than these two, there is a better chance if you apply for several and take the time to write letters/essays
- d. Sometimes the sponsor request different recipients than those chosen so we make alterations as needed
- e. You find out on Grad Night!

Getting your money

You will not receive a CHEQUE upon graduation. You WILL receive an envelope(s) at the grad ceremony with a letter revealing the details of your award(s).

Instead, you will be reimbursed AFTER you have paid your tuition and attended school in the fall.

Once you provide proof of payment/attendance to GSS we will notify the sponsor who then mails you a cheque. Don't expect the money until mid to end of October.

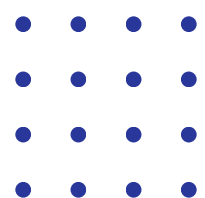

SAYING THANK YOU

If you receive any award, take a few minutes out of your summer schedule to send a thank-you card or brief letter.

Those who are thankful for gifts and “pay it forward” tend to have happier, more fulfilling lives. It’s also just good manners.

You can give these to the GSS office and we’ll make sure the sponsors receive your letter/card.

For more information, please contact us at the office.
